H. R. 5

Introduced by Roy A. Taylor

A RESOLUTION

On the death of A. G. Austin.

Whereas, Alepto Granville Austin was taken by death, at Phoenix, June 11, 1944, at the age of eighty-five years.

The passing of this distinguished citizen, whose residence in Arizona dates from 1888, marks the end of a life notable for devotion to both private and public obligations.

As a successful farmer and rancher, as an active proponent of civic progress, and as a public servant, Mr. Austin performed his full duty. He served his county and the State as a member of the House of Representatives of the Second and the Sixth Legislatures, in which bodies he was known for his unswerving adherence to measures designed for the public welfare. Following his legislative service he served three terms as a member of the Maricopa county Board of Supervisors, and helped to lay the groundwork for the construction of the new county building. Therefore

Be it resolved by the House of Representatives of the
State of Arizona:

1. The death of Alepto Granville Austin is a serious loss to the State of Arizona and his passing is deeply regretted by the members of this body.

2. On behalf of the people of Arizona, the House of Representatives extends profound sympathy to the surviving relatives of the deceased.
